

*Over the last decade,
millions of votes have disappeared.
A nation can be stolen without guns or tanks.
A nation can be stolen vote by vote.*

Compelling, meticulously accurate, poignant...

*First-person stories from the election trenches paint a
chilling picture of problems affecting election outcomes,
"glitches" and "irregularities" which cannot be
explained away as random errors.*

*We all need to learn as much as possible
as quickly as possible about our electoral system –
before it is too late.*

How You Can Help:

- 1. Come see the film at your local theater!**
- 2. Spread the word to others that this is a 'must-see' film.**
- 3. Sign up to table in the theatre lobby to hand out our election reform information and, if you wish, material from your own organization. For information on tabling, email: info@concentric.org**
- 4. Rent the theatre to hold a private screening or benefit. For information on scheduling a screening, email: stealingamerica@gmail.com**
- 5. Purchase tickets for small groups at a reduced rate. For information on group ticket sales, email: stealingamerica@gmail.com**
